A: Because we have to buy them before you pay for them. We don't collect your money first then have them made. We buy them in for our store so that you can have them posted to you as soon as you buy them. The sales from the first Collection will help pay for the second one, and so on.

A: The leggings are an extremely comfortable fit, ankle-length with a wide waistband and no front seam.

- Attitude - a relaxed-fit, princess line, hip-length top with sweetheart neckline and crossover straps at the back.

Q: What will be the long sleeve option for tops?

A: There is a long sleeve honeycomb mesh option of the Demi top coming. But if you wish to have a solid lycra sleeve, you should order a long-sleeved leotard.

Q: Will performance wear colours exactly match previous performance wear and leotard colours?

A: Some will be similar and some will be completely new. The fabrics will be from a different supplier so we can only guarantee a 98% colour match for the ones we are trying to match to existing colours.

Q: Can I wear a crop top and leggings?

A: Only if you wear another mesh or plain top over it.

Q: Can I adjust the length of the tops?

A: Tops can be taken up a little if they are too long in the body but only to the height of the BJP logo, which must be visible.

Q: What is the fabric?
